Mr. Bruce Farr
Convention Organizer for
Worlds Science Fiction North American Convention
1575 E. Cherry Lynn Road
Phoenix, AZ 85014

Dear Bruce,

In 2009 the beautiful multi cultural city of Montreal is waiting for the word “go” to host the World Science Fiction Convention. As the possible Host Hotel for this event, the following is being held on a first option basis. If we receive a request for the same space for a definite contract before the bid process we will inform you immediately.

Bedrooms

The following block of bedrooms is now being held on a first option basis for 2009.

Monday	August 3	40 rooms
Tuesday	August 4	150 rooms
Wednesday	August 5	250 rooms
Thursday	August 6	450 rooms
Friday	August 7	450 rooms
Saturday	August 8	450 rooms
Sunday	August 9	450 rooms
Monday	August 10	175 rooms
Tuesday	August 11	80 rooms

Bedroom rate

The rate for **2009** for single or double occupancy is now confirmed of **\$169.00 (CDN)**. There will be an additional charge of \$20.00 per person for a 3rd and 4th adult occupant of a bedroom.

Meeting space

Space for offices and our ballroom floor is being held from August 5 to 8, 2009. On Sunday the 9th, our Mezzanine floor and a section of our ballroom is reserved. On Monday the 10th, the meeting space on the mezzanine is being held.

As you know we are located 2 short blocks to the Palais des Congrès with inside access. From our lobby restaurant you can see their colourful “jello” windows.

It would be an honour to play a role in the event should Montreal be chosen.

Sincerely,

Arlene Bloomfield
Director, Canadian & International Associations

Mr. René Walling
Anticipation, 2009 Montreal World Science Fiction Bid
C.P. 505, Succursale NDG
Montréal, Québec
Canada H4A 3P8

Dear René,

We are very excited about your bid to host the 2009 Worldcon at the Palais des congrès de Montréal – the Montréal Convention Center in the very heart of Canada's number one host city for international conventions.

Presently we are holding meeting and exhibition space first option at the Montréal Convention Center from:

August 5 – 10, 2009

Please find attached a detailed preliminary room assignment plan.

The Montréal Convention Center is pleased to offer the bid committee for Anticipation 2009 a **reduction of 60% on the total rental cost**. This reduction represents CAN\$163 083 and will bring down the total rental cost to CAN\$108 724 for the space that we are presently holding.

We are going to hold the above space first option until the bid has been presented at the 2007 Worldcon in Yokohama, Japan and a host city for 2009 has been selected.

We are looking forward to working together with you and joining your committee at the 2007 Worldcon to show our commitment and full support for the Montréal bid.

Sincerely,

Jens Christian Bungardt
Sales Manager, International Market
Palais des congrès de Montréal – Montréal Convention Center
